Re: Salt River Project Agricultural Improvement and Power District's – Santan Generating Facility / Application for Amendment to the Certificate of Environmental Compatibility  
Docket No. L-00000B-00-0105 / Decision No. 63611

Dear Mr. and Mrs. Seeley:

Thank you for taking the time to express your views regarding the Salt River Project Agricultural Improvement and Power District's – Santan Generating Facility, Application for Amendment to the Certificate of Environmental Compatibility. Your letter has been placed in the Corporation Commission's docket and will become part of the official record.

The customer notification, which includes SRP's proposed amendment, does not necessarily mean that the application will be approved. Before the Commissioners consider any changes to the CEC, a full factual inquiry will be conducted.

A Special Open Meeting has been scheduled for Wednesday, June 25, 2003 at 1:00 p.m. regarding the procedural aspects of this case. This meeting will determine whether a full hearing will be held with opportunity for all citizens to participate and articulate their views.

I appreciate your comments and interest taken in the proposed amendment to the Santan Generating Facility's CEC. If you should have any additional questions or comments, please do not hesitate to communicate with the Commission.

Very truly yours,

Marc Spitzer  
Chairman
